## Radiator Guard Tracer 9 & 9GT

## Installation Instructions

Photo 1

Photo 2

**Step 1:** Remove clips and bolts of photo1. Do the same on both sides.

**Step 2:** Remove side fairing as seen on photo 2. Do both sides.

**Photo 3**

**Step 3:** Remove the brackets from the radiator (photo 3).

**Photo 4**

**Step 4:** Install the guard under the brackets (photo 4).

**Photo 5**

**Step 5:** Reinstall the fairing. Follow step 1 and step 2.
